Strategic Corporate Social Responsibility: Sustainable Value Creation
Synopsis

Strategic Corporate Social Responsibility: Sustainable Value Creation redefines corporate social responsibility (CSR) as being central to the value-creating purpose of the firm. Based on a theory of empowered stakeholders, this bestselling text argues that the “responsibility” of a corporation is to create value, broadly defined. In this new Fourth Edition, author David Chandler explores why some firms are better at CSR and how other firms can improve their CSR efforts. Keep your course content up-to-date! Subscribe to David Chandler’s ‘CSR Newsletters’ by e-mailing him at david.chandler@ucdenver.edu. The newsletters are designed to be a dynamic complement to the text that can be used for in-class discussion and debate. Past newsletters are archived as a freely-available resource for instructors and students at: http://strategiccsr-sage.blogspot.com/
