Dale Chihuly: A Celebration
Dale Chihuly, the hugely popular artist who works in glass, celebrates his 70th birthday in 2011. Tacoma Art Museum, in his hometown, owns more than 150 examples of his work and is mounting an exhibition in his honor. Both this book and the exhibition showcase Chihuly’s enduring interest in the arts and natural beauty of the Pacific Northwest, which are a major influence on his work. For the first time, Dale Chihuly: A Celebration focuses on the importance of these influences. From Native American baskets to wool trade blankets, the gritty Tacoma of the 1960s, and Puget Sound, this exhibition and book follow Chihuly’s development and accomplishments and how he grew and evolved while maintaining close ties to Tacoma. The essay by curator Rock Hushka traces Chihuly’s creative process and the ways in which his abiding interest in the American Northwest enriches his work.

Praise for Dale Chihuly: A Celebration: “This intimate, thoughtful celebration highlights the influences of nature and nurture on a unique talent.” - Publishers Weekly

Awesome! Was looking for something that represents an overview of Dale Chihuly’s work, this does the trick. Will use with my elementary students as we study color this fall. Beautiful photographs of his work.

This was a present for my brother and he really liked it. He is a fan of Dale Chihuly’s work and saw his work when he went up to Oregon and Washington.
Was especially pleased with the beautiful colored photos. Chihuly rules.

Thrilled with getting autograph in a beautiful book

The artwork is truly beautiful combing colorful designs with technical prowess. These pieces are still better seen in person than in a book.
