## Customer Reviews

Both of these new Tull Sheet Music books are great, and although they may not be as complete or comprehensive as you may think, it is certainly a great aid for learning some of the most popular Tull songs. The (Electric Tull) Book is larger (101 pages) than the Acoustic one, and both include great songs. This one includes Tabs/chords, etc. for Aqualung, Bungle in the Jungle, Locomotive Breath, Minstrel in the Gallery, and Teacher, among many others! Well worth the money!

I won't be long, i've actually never heard the album, but i know it's great, i know all the songs. It's a good idea to put the electric and acoustic ones on separate cd-s, i hope i'll get some money soon to buy it.
