Jazz Pedagogy: The Jazz Educator's Handbook And Resource Guide, Book & DVD

Synopsis

A comprehensive guide that opens the doors to the world of jazz education. Find practical solutions to challenges such as the jazz concept, understanding the rhythm section, jazz improvisation and jazz styles, including a great section on Latin jazz. This innovative, one-of-a-kind handbook incorporates the Web as an ongoing resource tool that provides the ultimate in reference information. The included DVD presents over three hours of audio/video demonstrations of rehearsal techniques, how to really teach jazz improvisation, and how to understand and improve the rhythm section. An essential addition to every library and/or jazz pedagogy class.

Customer Reviews

This book is a very comprehensive resource for teaching a jazz ensemble or combo. The DVD is an extremely great tool as it is very nice to see someone teaching the techniques described within the book. I also really like to inclusion of the history of jazz lineage at the beginning of the book. Well done!

This book has many practical ideas and explanations that are useful for the non-jazz musician, such as myself. It includes jazz approaches for the various instrumental/vocal sections, characteristic style explanations, rehearse suggestions, a list of listening examples for each instrument, a helpful graded jazz standards list, and many more resources.

Jazz Pedagogy: The Jazz Educator's Handbook and Resource Guide by J. Richard Dunscomb is an

outstanding resource for new music teachers and experienced professionals as well. It contains detailed well thought out articles by leading jazz educators in their fields of expertise...clearly outlined and easily understood examples descriptions. A must have guide for learning or for remembering things you already knew but needed a fresh perspective.

This book was required for a jazz pedagogy class that I chose to take during a mini semester and it was a great resource. It is a must have for anyone who is going to teach a jazz band or have a jazz program, whether you are a novice or expert educator.

Great resource for inexperienced jazz directors!
