Excellent condition as it was new; came in on time and when required. Not too different than Edition 19, but it does included an additional chapter on Behavioral Economics and some of the chapters
were cut short/moved around.

I bought this for my class and it came in great condition and was a lot cheaper online than in store. Great book and very easy to follow.

The book came in poor condition, soft cover book with covers all bent backwards, will still do the job so not too worried about it.

Very good but even though I did not use it that much for my online classes summer would recommend it

Thanks a lot

Book rented for college class. Nothing exceptional, but well worth the rental price.

This is an excellent book but the price is a bit too high. Recommended!

This was a requirement for my ECON class. Handy.
