# Tricks With Dollar Bills: Another Way To Make Your Money Disappear

## Synopsis

Got a dollar? Then you've got all it takes to astound friends and co-workers, and maybe even win a friendly wager or two! Well, that and this collection of more than two dozen incredible tricks that can be performed using everyday legal tender. Some of the tricks involve simple sleight of hand while others challenge both the audience's knowledge and powers of observation. Photographs and diagrams show the manipulations required to perform the 'French Drop' and 'French Switch,' the impressive 'Double Dollars' effect, and the deliciously puzzling 'Bill in Fruit' illusion. No prior experience with performing or magic is required; just a willingness to learn and a dollar bill. It's the most fun you can have for a buck.

## Customer Reviews

A-OK Learned a few tricks I could show easily to the ladies while grocery shopping, got me a few pats on my bald head & on my rear end.

If you are learning this topic for the first time, I can't think of a better book to read. If, on the other hand, you have already learned more advanced instruction books and wish to learn more advanced and modern material you should probably use a different book. Easy and complete trick instructions.
