The Secret Footballer: Access All Areas
Forgive your enemies, they say. Keep their addresses and keep notes, I say. In The Secret Footballer: Access All Areas, you’ll learn how to buy three Premier League points for just £25,000, what it’s really like to face a Football Association disciplinary hearing, and why every footballer in the country shuddered when they heard about the Ched Evans case. Add to that The Secret Footballer’s no-holds-barred tour of the country’s Premier League clubs - telling us what it’s like to play in each ground and revealing the one that all players really hate to go to - and you get an entertaining glimpse into a world that’s normally off limits to the fans. Unapologetically opinionated, witty and honest, The Secret Footballer: Access All Areas is every thinking fan’s guide to the beautiful game. I am The Secret Footballer, and all bets from here on in are off....

**Customer Reviews**

I found this book mentioned on Twitter so saved the screenshot until I was ready for a football read. What can I say - thought it was an amazing insight to the sport I love so much - always realised there was a "dirty" side to the running of clubs etc but never expected it to be written in black and white for me! A thoroughly enjoyable read - I'll certainly buy the preceding books by TSF - top man!

I enjoy TSF books - I enjoy the reality and depth. I would recommend this for anyone interested in what happens in the game that the regular person doesn't see.
Great read for anyone new to the game and wishes to gain a base understanding of the game’s various facets.

really interesting. If you’re a soccer fan you have to read this book!
