Lady Gaga.: The Little Black Book (Little Black Books)

Synopsis

"Having this book is like have Gaga right here with me when I need some inspiration or a pick-me-up. I can't tell you how much this book has helped me." -John Wissler
"I love her music and I love this book. I leave it on my nightstand and I'm reminded every time I see it, to keep doing what it takes, and that some day my dreams will come true. I am truly grateful for this book."-Kayla Jones
"Whose Little Black Book do you have?"
The Little Black Book is most famously understood as a Booty Call book. But, in this 21st century version, wisdom and knowledge are the key to opening doors. This book contains 142 quotes from Lady Gaga. Why quotes? Because as Chriswell Freeman said, "Quotations help us remember the simple yet profound truths that give life perspective and meaning. When it comes to life's most important lessons, we can all use gentle reminders. And that's what this book does. It's a tool to help us become the best version of ourselves that we can be. Not all of the quotes in this book will apply to everyone all of the time. So, read it. Re-read it. Keep it where you can see it. Sleep with it. Carry it with you. Show it to your friends. Use it in the face of your enemies. And if all that fails, use it as a coaster to protect your coffee table from condensation. As with bathing, motivation is recommended daily; so here's your motivational hot shower from the one and only, Lady Gaga. May the wisdom of one of the greatest minds, become yours."
