The Art Of Assassin's Creed Unity

Synopsis

With 73 million units sold worldwide, Ubisoft⠙s Assassinâ ™s Creed franchise is established as one of the best-selling game series ever. Recognized for having some of the richest, most-engrossing art and storytelling in the industry, Assassinâ ™s Creed transcends video games, branching into other entertainment experiences including comic books, novels, short films and an impressive merchandise line-up. The recently announced Assassinâ ™s Creed Unity takes players into the heart of the French Revolution. Marrying intricately detailed environments and next-gen capabilities, Paris comes to life around you and immerses you in the grit and grime of a city in turmoil. Continuing in the footsteps of this already world-renowned franchise, Assassinâ ™s Creed Unity brings to life a time of unrest and disorder in one of the greatest cities in the world, promising to be the biggest and best experience yet. Highlights in the game, and in the book, include the different areas of Paris, each with their own identity and population, towering buildings bigger than any Assassinâ ™s Creed game so far and an amazing range of locations and action.© 2014 Ubisoft Entertainment. Customer Reviews

Length: 2:21 Mins

Nice. Another wonderful artbook to the Assassin's Creed series. I like Assassin's Creed artbooks because they usually feature beautiful landscape artworks of historical places from the past. In

Unity, it's in Paris during the French Revolution. Presentation style is similar to the earlier artbooks with a good mixture of character designs and environment art. The costume designs for all the characters are beautiful and detailed. I've always wondered how people in those times managed with so many layers of clothing and how heavy they weigh with all those accessories and weapons hanging all around. Almost all the characters are male except Elise De La Serre. The other artworks are all on the landscapes, interiors and key scenes. It's really cool to see how the artists interpret old Paris. There are the rooftops of Paris with their familiar chimneys. exquisite monuments such as the Conciergerie, Notre Dame, Eiffel Tower and other landmarks and less savoury places. There are some really nice textures going on that show the nitty-grittiness of the places. I really enjoy looking at the architecture design of buildings at that time. The artworks are generally beautiful although some pieces are quite rough, thankfully in minority. Composition for most of the environment art are fantastic, and really captures the scenes well. The book a 192-page hardcover. There's also a 500-copies limited slipcase edition that comes with two signed art prints from Ludovic RibardiÃ^rre and Gilles Beloeil. For the limited edition, you've to get it from publisher Titan Book's websitelt's a great companion to the video game. (See more pictures of the book on my blog. Just visit my profile for the link.)

Ubisoft quality. I bought dragon age art book, same prize but has double thickness then this. Plus there's no much pics about design, its just some colored conceptual illustration. Wheres the sketches for historical item study? Its like a magazine. It took me 15 min and I think I have done the reading forever.

No complaints here. I purchased this book for my friend for Christmas. When it arrived, it was packaged beautifully. Plastic covering along with some baggies filled with air. Nothing to really comment on other than that I'm a satisfied customer!

As usual these books deliver amazing quality photos that are properly organized. The artwork itself is varied and amazing. Good pudchase

The product was perfect and the package was correct. I'm happy with it.

Great gift for the always reading, nerdy gamer nerd in your life! <u>Download to continue reading...</u> The Art of Assassin's Creed Unity The Art of Assassin's Creed Syndicate The Art of Assassin's Creed IV: Black Flag Creed Leader Guide: What Christians Believe and Why (Creed series) Mastering Unity 2D Game Development - Building Exceptional 2D Games with Unity Last Descendants: An Assassin's Creed Novel Series Assassin's Creed: A Walk Through History (1189-1868) Assassin's Creed: The Movie Novel IncrediBuilds: Assassin's Creed Deluxe Book and Model Set Assassin's Creed: The Complete Visual History The Housewife Assassin's Handbook: The Housewife Assassin, Book 1 Grave Mercy: His Fair Assassin, Book I (His Fair Assassin Trilogy) The Creed: Professing the Faith Through the Ages The Apostles Creed In Light of Today's Questions Commentary on Luther's Catechisms: Creed Apostles Creed Affirming the Apostles' Creed What Christians Ought to Believe: An Introduction to Christian Doctrine Through the Apostles' Creed The Creed: What Christians Believe and Why it Matters The Jesus Creed: Loving God, Loving Others
