Strange Glory: A Life Of Dietrich Bonhoeffer

Synopsis

Winner, Christianity Today 2015 Book Award in History/Biography Shortlisted for the PEN/Jacqueline Bograd Weld Award for Biography In the decades since his execution by the Nazis in 1945, Dietrich Bonhoeffer, the German pastor, theologian, and anti-Hitler conspirator, has become one of the most widely read and inspiring Christian thinkers of our time. With unprecedented archival access and definitive scope, Charles Marsh captures the life of this remarkable man who searched for the goodness in his religion against the backdrop of a steadily darkening Europe. From his brilliant student days in Berlin to his transformative sojourn in America, across Harlem to the Jim Crow South, and finally once again to Germany where he was called to a ministry for the downtrodden, we follow Bonhoeffer on his search for true fellowship and observe the development of his teachings on the shared life in Christ. We witness his growing convictions and theological beliefs, culminating in his vocal denunciation of Germany's treatment of the Jews that would put him on a crash course with Hitler. Bringing to life for the first time this complex human being—his substantial flaws, inner torment, the friendships and the faith that sustained and finally redeemed him—*Strange Glory* is a momentous achievement.

A good biography will grip you, move you, and challenge you. In really getting to know someone in all the dynamics that make him or her the person he or she was, you find out things about yourself and, perhaps, what you would like to be. When Mr. Marsh takes pen in hand on Bonhoeffer that is exactly the experience you have. Mr. Marsh can write "that is obvious. He delved into his subject

until he had something to say. He took a multifaceted view and hid nothing. Even what could have been mundane information, like certain academic pursuits, was woven together to show us the man progressing to become what he finally became in magisterial prose. As you go along you find Bonhoeffer to be a spoiled kid far into adulthood, indulgent, lazy in physical work, and a lover of extended travel, and at times, a man with a temper. Still, you could not help but admire him. There is duplicity in us all, yet Christ can raise us above it. Though his theology was a good bit to the left of mine, I firmly believe he was a believer who not only loved the Lord, but grew to love Him more. As with any of us he wrestled with some of the hard choices of life. In the end, he far more came down on the right side, a side fraught with danger and pain. I do not know what he died thinking, but he died a victor. The only negative of the book was the suggestion that, perhaps, there was a homosexual attraction for his dear friend Bethge. That seemed a cheap gimmick for our agesâ™ fascination of homosexuality. The friendship was as close as possible, but Bethge always clearly refuted this suggestion.
